FROM US

“WE STRIVE FOR THE BEST

We have always strived to improve and produce from the beginning.

Today, Bora Çelik is the best display producer in Europa and Middle East by having partners from 3 continents 35 countries. We truly believe, it's the prize of our success.

I thank to our all employee and customers.
As we promise, we will keep our success with our hardwork.

Bora Mehmet Osmali
General Manager

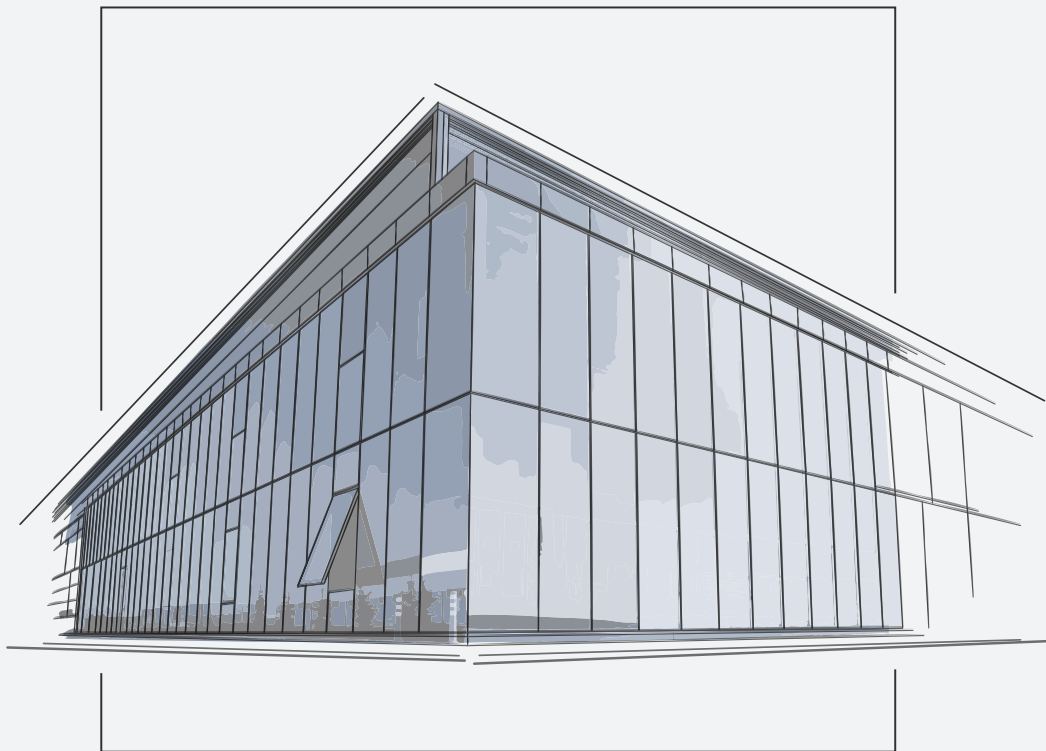

OUR HISTORY

Founded in 1976, Bora Celik is a bespoke designer, manufacturer and supplier of showroom display panels, situated in Eskisehir, Turkey.

Our main product lines consist of, but are not limited to, Ceramic display cabinets, Display panels, Door displays, Tile display stands, along with Tile, Stone, Marble and Mosaic displays.

Our factory occupies 18.000 m² place and has different lines which are steel machining, metal further processing, painting, wood further processing, printing, installation and packing.

We manage all the process in one factory with our professional team and high-tech equipments that we keep improving.

OFFICE & SHOWROOM FURNITURE

Let all your fairs, furniture and
stands harmonize.

MODERN OFFICE DESIGN

WORKING SPACE

A decorative background consisting of several overlapping squares of various sizes, some solid light gray and some outlined in gray, creating a geometric pattern.

NEW

EPSILON
SERIES

The logo for the Epsilon Series, featuring the word "EPSILON" in a serif font with the "N" enclosed in a square frame. Below it, the word "SERIES" is written in a smaller, sans-serif font. To the right of the text is a graphic element consisting of three stacked squares of decreasing size, with the top square also enclosed in a frame.

New Epsilon series were created by two elements. Inclusive skeleton frames and drawers that you can present many different size of stones.

You can apply the frames in any size and place, it's very flexible. Epsilon series will give you effective area design and elegant showroom view.
